

AUSTRALIAN MADE

- All Spa Electrics products are designed and manufactured in Australia

SIMPLE INSTALLATION

- Extra safe low voltage lighting
- No lowering of pool water required
- No drilling or cutting needed
- **Install new LED lighting in an afternoon!**

REPLACES ALL BRANDS

- A range of RETRO Series LED lights available to suit all types of existing pool lights
- Replaces: AquaQuip, Waterco, PAL, Stroud + **Many More!**

HIGH OUTPUT LED LIGHTING

- All RETRO Series LED lights produce brighter illumination than a 100w halogen globe and are available in a choice of Single-colour, TRI-colour* and Multi-colour models

*TRI Colour available in GKRX only
